

ROADS WORKERS, COUNTY REACH NEW 1977 COLLECTIVE AGREEMENT

First Class

Agreement between negotiators for Haliburton County and the County's Road's Department workers on a new multi-faceted collective agreement was reached late Tuesday afternoon, according to County Engineer Bill Obee.

The new agreement, details of which are being withheld by both parties until the roads employees have been informed of them in detail, will be presented to the 16 permanent County Roads employees next week for ratification. All are members of C.U.P.E. Local 1960.

The collective agreement, if approved, would also apply to the department's casual summer employees, usually numbering about one dozen.

Representing the employees at the bargaining table was a C.U.P.E. negotiating team headed by Harold Wrightman, while the County's negotiating team was comprised of Roads Committee Chairman Sinc Nesbitt and fellow County Councillors Jerry Howarth and Murray Fearrey.

In contrast to the prolonged and at times fiery negotiations between these same two bodies for Local 1960's first collective agreement with the County a year ago, this year's contractual agreement was reached by negotiators after only two brief meetings this month.

Some 15 persons ranging in age from 12 to over 50 years, qualified for the new snowmobilers operator's license with their successful completion of a two-day training course, a Haliburton County first, held by instructor

Bob Patton at the Stanhope Fire Hall last Friday and Saturday. Starting March 1st all snowmobilers operating their machines on a public trail or a road, or crossing a highway must possess either a

regular driver's license or the new snow vehicle operator's license. The latter can be obtained only through successful completion of the approved snow vehicle operator's course, open to all persons 12

years and over. It permits snowmobile operation on public trails only for ages 12 and 13, public trails at 90-degree high crossings for 14 to year-olds with operation on permitted

roads for those over 16. Assisting Mr. Patton was Master Instructor Roy Bates shown here as he explained aspects of the Motorized Snow Vehicles Act to last weekend's class.

County seeks road sign help

Victoria-Haliburton M.P.P. John Eakins will be asked by Haliburton County Council to make a special plea to Minister of Transportation and Communications James Snow for special Vankoughnet Road signs.

Council's decision to seek Mr. Eakins aid came in the form of a resolution following a special plea by Stanhope Reeve Sinc Nesbitt.

'Stanhope Township has written, phoned but gotten nowhere with the Ministry on these signs to date', Reeve Nesbitt told County

Council.

Commonly known as Vankoughnet Rd., the 35-mile stretch of scenic highway linking Highway 11 at Bracebridge with Highway 35 at Carnarvon is still designated by road signs as Muskoka Road No. 4 with no mileages or local identification given at either end.

For some time now Stanhope has been trying to get the highway properly named with local identification at either end, including mileage signs.

Stanhope's efforts and now those of County Council and Mr. Eakins come hard on the heels of recent attempts by the Haliburton Highlands Chamber of Co-

Eakins secures charter bus for Harcourt man

In his first appearance before an official hearing of the Ontario Highway Transport Board John Eakins, M.P.P., Victoria-Haliburton, was successful in securing charter rights to forestall a new Ontario Government policy under which all local sign identity, such as our Haliburton Highlands signs, will no longer be permitted on provincial highways leading into such areas.

for charter bus tours for Earl Mumford, owner of Mumford Bus Lines, of Harcourt.

Following official approval from the Transport Board, Mr. Mumford will be able to give charter service to the people in Haliburton County between Harcourt and Fenelon Falls. The award will not include Fenelon Falls or Lindsay.

Last fall, Mr. Eakins as-

Teenagers break backs as snowmobile hits causeway

Two Willowdale teenagers are in North York General Hospital, each in serious condition with a broken back, after the snowmobile they were riding struck a causeway on Horseshoe Lake last Sunday.

Details are still sketchy, say police, who only learned of the accident after

the two victims had been moved to Toronto. They say they believe Bruce Goddard, 19, and Robin Richardson, 16, were snowmobiling on the lake when their machine struck the Schuyler Causeway and they were thrown off.

Found by friends, the in-

Office 286-1760 Secretary-Manager Res. 457-1110

Last week at both a Central Ontario Travel Association meeting and our own board of directors meeting we discussed two very controversial subjects at some length.

The first was the 'G-65' signs. They are the ones which say 'You are now entering the Haliburton Highlands Tourist Area'. The Ministry of Industry and Tourism has ordered that these signs be removed and that the entire area simply be identified as Central Ontario. This same policy is in effect throughout Ontario. The Chamber, our County Council, and our board at Central Ontario have all made it perfectly clear we are opposed to this policy. The Minister, the Honorable Claude Bennett was quoted as saying 'I suppose from a political point of view the one thing it does (the signs) is keep a lot of people in the local community happy that they have an identification, even if those particular regional councils no longer exist'.

The Minister should be well aware by now that our 'regional council', represented by this Chamber of Commerce certainly does exist. We are fighting this issue for two very important reasons. We spend considerable funds and efforts advertising the Highlands of Haliburton and we will have to spend even more if this Ministry insists on these attempts to destroy our identity. Aside from the commercial value of our name, we are also all aware that our identity does mean a lot to our residents and the Ministry has no right to take it away. We paid for these signs, and we have paid an annual fee for their maintenance. Now, Mr. Bennett has advised us that if we want them that badly we can apply to the Ministry of Transport to put up new signs at \$250 to \$275 each. It is also interesting to note that in April 1974, Mr. Fred Boyer, Executive Director of Division of Tourism of the Ministry stated in a letter to us 'I believe I can assure you you will be able to maintain the signs should you wish it'. Well, we 'wish it' and we will continue to fight on your behalf to see that the Ministry keep their word.

The other topic to stir considerable interest is the practice of the Ministry of Natural Resources to lease 'Walter lots' to all commercial operators with docks or rafts projecting beyond the original high water line. According to information we were given at the Central Ontario meeting this project is supposed to be in temporary 'limbo' pending further possible legislation regarding it. Our local Ministry of Natural Resources is not aware of this and is proceeding as normal with the plan. Advice from our group is that we should advise our members to avoid entering into any further agreements with the Ministry until this can be cleared up. We will be reporting more on this as soon as information is available.

Haliburton Village experienced its busiest week-end this Winter with the Kashagawigamog Atom Hockey Tournament drawing about 300 hockey players and their parents into the area plus the Haliburton Curling Club's annual Skyline Curling Bonspiel. It is too bad these two events hit on the same week-end and we note that if the Chamber's Birthday Calendar can be completed this type of clash will be avoided. The Chamber also was pleased to hold the 'official' opening of the Canada Manpower Outreach Office in Haliburton on Friday night and we were very pleased to see such a good turn out of our political representatives.

The County Council have now established their committees for the coming year. Our board is pleased to welcome Fred Baum, Larry Hunter and Murray Fearrey on our board representing County Council. Bob Vick who has served on our board for several years has promised to visit our meetings from time to time in his new capacity as Warden.

Len Foster of Tory Hill met Don Mathews of Wilberforce recently and found they were both 'Old Timer' hockey players. They wondered if there were any others in that area with a similar interest that would be interested in forming a team. Roy Scott tells me they are planning a mens round robin tournament in conjunction with the Winter Carnival. Interested players in the Wilberforce area could possibly compete if they could put a team together. You can call Len at 448-2041 and Don at 448-2230 if you are interested.

A.T.R.O. are sponsoring an Insurance Seminar at PineStone Inn this Thursday which will involve panel discussions chaired by experts in this field. Both members and non-members are welcome to attend this important seminar at \$7.50 which includes lunch. Registration is at 9.30 am and an advance call to either Art Ward at 457-8800 or Bruce Henry 457-1300 would facilitate their planning.

We hope to see you all at the Minden Carnival this week-end. By the way, have you seen the Carnival promotions on CKCO (Channel 11). This promotion will continue following the Minden Carnival to feature the Haliburton event. This promotion is possible through the assistance of Central Ontario Travel Association funding.

COMING EVENTS

January 28, 29, 30 - Minden Kinsman Winter Carnival
February 12 - Minden Kinettes Valentine Dance - Minden Community Centre - Dance at 8.30 with 'D.J.' Jim Brooks Bar and Salad Buffet.
February 11, 12, 13 - Alcide Carpentier Memorial PeeWee tournament - Haliburton Arena.
February 18, 19, 20 - Haliburton Rotary Carnival and Cross Country Ski Loppett.

Making It Official

Last month's opening in Haliburton Village of the Haliburton Highlands Chamber of Commerce sponsored Canada Manpower Outreach Project office was made formally official last Friday evening as

the office staff and the Chamber of Commerce hosted a special open house to mark the occasion. General visitors plus officials from Haliburton County and the municipalities comprising it flocked by the

score to view the new office facilities above La Rue Motors then munch cookies and sip coffee. Shown here enjoying a cup of coffee are (left to right): Chamber Vice-President Dennis Casey, Victoria-

Haliburton M.P. Bill Scott, the new office's Counsellor - coordinator Jayne Northgrave and its Secretary Cathy Carroll, and Chamber Secretary-manager, Bob Stinson.

County Council committee appointments

Last week Haliburton County Council struck its committees for the current year. The following were named to these committees of council and as council representatives on county-wide organizations:

jured couple were driven to hospital at Minden, then by ambulance to Ross Memorial Hospital in Lindsay where they were again transferred by ambulance to Toronto.

Aside from learning the victims' names, injuries and destination from the hospital, police had to send out a special snowmobile patrol to piece together the nature of the incident and where it took place. Investigation by Provincial Constable Bob Rollins.

County spent 1/4 million on 1976 road resurfacing

More than one-quarter million dollars was spent by Haliburton County in 1976 to resurface some 127 miles of county roads. Of this figure 72 miles were re-paved.

This was just one of many highlights of the annual report made to County Council by County Engineer Bill Obee last week on the work done by the County's Roads Department during 1976.

Last year the Department faced four major projects including resurfacing two miles of Haliburton Lake Road, one-and-one-half miles of Kushog Lake Road,

one-third of a mile of the Essonville Road, where a much-needed culvert was installed and nearly one-half mile of the Ingoldsby Rd., near Highway 121.

County Roads also constructed a new garage in Ingoldsby and bought a new dust removal and control sprayer and four trucks as well as doing a variety of spot construction work across the county at such locations as Bobcaygeon Road and Scott's Dam Road.

Mr. Obee told council that his department had stayed within the 1976 budget of \$1,522,000.

Chamber to print trails booklet

A special trails and facilities booklet for snowmobilers and cross-country skiers in Haliburton County will be prepared, printed and available within a few weeks.

A project of the Haliburton Highlands Chamber of Commerce, the booklet is to be financed through funds made available to the Chamber as a member of the

Central Ontario Travel Association.

The booklet will detail trails for both skiers and snowmobilers as well as the variety of services and facilities available in the County in a handy, booklet form.

The project was approved by the Chamber's Board of Directors at its January meeting last week.

Tradition

Last week Haliburton County Council chose veteran Snowdon Reeve Bob Vick as County Warden for 1977. One of the new Warden's first official acts was to visit the Hyland

Crest Senior Citizens Home and one of its newest residents, former Snowdon Reeve and Haliburton County Warden Edward Peacock. A railroad

man like Warden Vick, 88 year-old Mr. Peacock was at one time Reeve of Snowdon for some 18 years, serving as County Warden in 1953. As the first County Warden from

Snowdon since Mr. Peacock's day, Bob Vick, left, is shown here as he received his predecessor's congratulations and best wishes last week.

Lend A Hand

Don Wolfram's proposal to open an Animals In Distress centre in Haliburton County deserves the support of all of us.

Too often we come across animals both domestic and wild injured or abandoned and whose only hope lies with some such shelter.

Most will be destroyed by either man or some other animal.

Under Mr. Wolfram's plan they would be cared for at his AID centre, then new homes found for them. And he's prepared to open and operate a distress centre for them on his own 100-acre farm in the Eagle Lake area which he proposes to turn into a central complex of kennels and wild-life sanctuary.

Mr. Wolfram hopes to provide viable alternatives to the senseless destruction of animal life and needs volunteers.

Let's lend a hand.

Positive Step

Congratulations to Lutterworth Township Council on its forthright move to bring the wages and remuneration of its municipal employees and council members into line with the rest of the county's municipalities.

During last Fall's pre-election maneuverings one got the impression that drastic and possibly startling changes could be expected from the candidates who did, in fact, successfully win the right to form the present Lutterworth council.

Earlier this month council decided to hold its regular meetings during the business day rather than at night. This move puts Lutterworth right up there with the larger municipalities who find that to deal with representatives from other levels of government, businesses and institutions, daytime council meetings are an absolute must.

Now, Lutterworth has taken still another positive step with its recent wage adjustments.

TWO TRAINING SCHOOLS ON WEEKEND

The Snow Vehicle Operators Safety Certification Program entered its third stage last weekend when 15 students successfully completed the first course given in the area. Instructor Bob Patton, operator of North Shore Lawn and Garden Equipment Service and Beech View Cottages, was extremely pleased that only two members of the class failed the written exam.

The classes included two or more married ladies who were previously unlicensed and who will now enjoy the privilege of accompanying their husbands on the trails, and three adult men who took the course specifically for the safety instruction.

BOB PATTON - Instructor

Mr. Patton, a director in the Haliburton County Snowmobile Association, was one of the first instructors trained in Haliburton County and is certified by the Ministry of Transportation and Communications. His second school will be held in about three weeks at the same location - the Stanhope Municipal Garage on the North Shore Road. Classes will begin at 7 pm. on Friday evening and again on Saturday evening to permit cottagers to attend. Meanwhile, a similar school has been scheduled for Saturday, February 5 in the HCSA clubhouse at Donald, to begin at 9 am. This writer, Master Instructor for the area will be in charge. Any person wishing to enroll for one of these schools should contact without delay, Robert Patton at RR 2 Minden (489-2489) or Roy Bates, RR 2 Haliburton (457-1658). Both schools are filling up fast.

ADDITIONAL INSTRUCTORS TRAINED

The HCSA clubhouse was temporarily returned to its original purpose last Saturday when it was used as a schoolhouse to train four new instructors. One of these, Dennis Casey, of Shamrock Shell and Shamrock Drillers, will serve the immediate Haliburton area. William Joyce will hold schools for the snowmobilers around Kennis Lake. He is a director of the Kennis Lake Snowmobile Association. Two from Burnt River, Bruce Douglas and Erick Watson of the Somerville and District Snowmobile Association, will operate schools for snowmobilers from Kinmount to Fenelon Falls.

BOWES & COCKS
LIMITED REALTOR
HALIBURTON HIGHLANDS

KUSHOG LAKE

Completely furnished, 'L' shaped living room and dining area, overlooking the lake. 2 bedrooms, 4 pc. bath, new septic, Franklin Fireplace, electric heat, near a ploughed road. Lovely sand & stone Lake frontage property well treed & private. Owner anxious to sell. Offered at \$37,500.00. Please call IRENE HODGINS at 286-2381 or evenings at 286-1575.

BUCKSLIDES - LOT

Homesite or vacation property. Approx. 2 acres overlooking running water. This is a corner property on township road. Beautifully treed and private. Asking \$7,500.00. For further information call AL HODGINS at 286-2381 or evenings at 286-1575.

PERMANENT HOMESITE LOT

Within 2 miles of Minden on township road, a beautiful building lot with 300' frontage by 300' depth. Mature evergreens across frontage, balance cleared with excellent sandy loam. Asking \$10,900.00. For further information call AL HODGINS at 286-2381 or evenings at 286-1575.

NEW CLUBS

Out congratulations and best wishes for future success to the Buckhorn and District Snowmobile Club and the Somerville and District Snowmobile Association. Both clubs were formed late last fall and both are very wisely joining the Ontario Federation. Located between the two is the Twin Mountains Snowmobile Club at Bobcaygeon, now in its third year of operation, also federated.

The Bobcaygeon club maintains some 40 miles of trails to the south and southwest of the MNR-5-point system. The Buckhorn group will be working into this from the southeast and the Burnt River group has already connected from the west. The HCSA trails are added to the system through connections at Irondale and Gooderham. And to the east, the Paudash Trail Blazers are linked up at Wilberforce and Harcourt. It's getting now so that when snowmobilers take a trail ride they pack an overnight case.

GROOMER VISITS CLUBHOUSE AREA

Bombi driver Tom Prentice headed the machine out the Gelert trail from Minden last week and groomed his way up to Donald. While in the area, he spent one day on trails in the vicinity of the clubhouse such as the Tractor Road leading to Haliburton, and returned on the third day to Minden. We understand the Bombi has since been working in the Hall's Lake area. On the weekend we had an opportunity to speak with a number of snowmobilers and those groomed trails were well received.

This past weekend our newly acquired second Bombi came on the scene and joined our original Bombi in regular trail grooming. With one assigned to trails in the general Minden area and the other to Haliburton area trails snowmobilers can look forward to some 200 miles of groomed trails very shortly.

SNOWARAMA

Once again the Rotary Clubs of Minden and Haliburton are teaming up with the HCSA to raise needed funds for the Society for Crippled Children. Called Whipper Watson's Snowarama for Timmy, the event will see snowmobilers congregate from a wide sector of Central Ontario on the morning of February 6th to enter the 100 mile ride. Each rider will carry pledges to be honored upon successful completion of the trip. Starting points are established at both villages.

Similar teamwork in more than a dozen communities across the province are providing an opportunity for snowmobilers in all sectors to participate in this worthy event. Snowarama last year became second only to the Easter Seal campaign as a fund-raising effort to continue the ever-expanding work of the Society. The target this year is a quarter million dollars.

If you are unable to ride in the event why not participate by placing a generous pledge on one of the riders. A crippled child will thank you.

OTTAWA and Small Business

Evening out ups and downs

By KENNETH McDONALD

The conventional economic remedy for unemployment is inflation; for inflation, unemployment.

• • •

It's rough justice at best, but especially rough on a country as spread out and as diverse as Canada. Different situations need different treatment. If the economies of Ontario and Western Canada are overheated, Ottawa might cool them by cutting public spending and tightening credit. But applying that treatment to faltering economies in Quebec and Atlantic Canada would be disastrous.

• • •

Needed, therefore, are flexible policies to suit the different circumstances: control credit where things are booming; ease up on loans where they're depressed. This is where the federal system can be invaluable in strengthening economic bonds between regions. It can be done.

• • •

The vehicle is the small firms sector. Regional development should concentrate on the growth of labour-intensive small firms based on local markets, resources and skills. Increasing regional self-sufficiency is the way to even out the ups and downs of the economy.

• • •

In a submission to Ottawa, the Canadian Federation of Independent Business recommended adoption of a two-fold policy to suit Canada's diversity. Inflation should be controlled by conservative, and consistent, economic po-

The Canadian Federation of Independent Business ©

licies (curbs on government spending and on borrowing). Job creation and regional disparity are best tackled by a separate, and flexible, small firms policy.

• • •

For 30 years, Japan has worked at developing the world's strongest small firms sector. Its 1976 White Paper on Small and Medium Enterprises identifies the major function of owner-managed enterprise as "serving as a nucleus for regional economic development".

• • •

Pointing to this example, the Federation also recommended hiving off Minister of State Leonard Marchand's Small Business section from the Department of Industry, Trade and Commerce and combining it with the Department of Regional Economic Expansion in a new Ministry of Small Business and Regional Development. The two functions are naturally linked and the merger should be welcomed by the provinces.

• • •

Then, instead of blanket policies covering the whole country, the economic tools could be shaped to suit regional conditions. Easier credit, lower interest rates and more guaranteed loans could be applied in slow growth regions at the same time as restrictive policies in developed areas if inflationary pressures were building.

• • •

The key is selectivity. As Quebec's new Finance Minister Jacques Parizeau put it: "the scalpel rather than the axe."

Hall's Lake News

Doreen Stinson

Two milder days during this past week made us think we might be having a let-up of Winter. However, back we went to below-zero temperatures and a few people came up to do some ice fishing on the lakes.

Enjoyed another visit with Mrs. Hazel Welch at Extendicare and pleased to see her cheerful and bright and happy in her pleasant room. She enjoyed her visit home at Christmas time, too.

A recent letter from Progress subscriber, Mrs. Helen Golchuk from St. Catharines with a picture enclosed of the top speakers in a Canadian Legion public speaking contest, one of whom was her daughter Karen for Grades 4 to 6. The Golchuk's have a cottage here and spend most of the Summer here with their family. We send our congratulations to Karen for winning this honor.

Mrs. Mary Oliver and Mrs. Mynra McCarthy are leaving shortly for a Caribbean Cruise! and trust they will have a really lovely holiday in the warmth of a more Southerly climate.

Attended a delightful pot-luck supper at the home of Boyd and Toni Carr at Ingoldsby last week where nearly 20 Amway people met for a timely sales meeting to introduce the new Home Care Clinic plan. This is a great way to learn more about the good products they merchandise and get to know some very nice people as well.

Wintario has extended the amount of \$1,940.00 in a matching grant to the Welch Memorial Library in Stanhope which goes a long way to helping furnish some of the necessities for this lovely new building on the North Shore Road. Everyone is grateful for this boost to their financial problems.

The Annual Vestry Meeting for St. Stephen's Church is to be held at the home of Mr. and Mrs. William Gartshore on the evening of February 1st—a week from this coming Tuesday.

Club 35 held their regular euchre meeting last Wednesday and are planning a Valentine pot-luck supper on Monday the 14th of February, and a Spring Dance for April with more details to follow. A good number turned out for the meeting, despite the cold evening, and there was a total of 31 out to play Euchre last Monday evening.

Mr. and Mrs. Hodgson spent the weekend with friends at the Don Hall cottage and did some cross-country skiing and snow-shoeing. The younger Rothwells were at their cottage and enjoyed a Saturday down-hill skiing at Sir. Sam's, saying it was really great. It is good to see so many cottages lit up on the week-ends and being made use of during the Winter months. Next week-end with the Minden Carnival coming up there is bound to be an influx of more cottagers for that event.

Lay Reader Mr. Lloyd Johnson took the Service at St. Stephen's on Sunday with a good sermon and the usual number of people out to enjoy the service.

Job training report

Since March of last year more than 140 employers served by the Peterborough Canada Manpower Centre have taken advantage of the Canada Manpower Training Officer.

Mr. O'Neill noted that more than 45 persons have been recently trained in skills who faced job barriers because of their special needs. These people have been helped through training to become productive workers and a real benefit to their communities."

Although Special Needs persons are a priority of CMITP, more than 100 formerly unemployed, unskilled persons are also now learning skills on the job. Many employees are also being upgraded by their employers through the use of CMITP.

Mr. O'Neill said that a recent survey showed

77 out of those who successfully completed a training program were still employed 3 to 6 months later".

Stop delaying getting your own home!

FROM THE LINDSAY AGRICULTURAL OFFICE

PESTICIDE CONTAINERS

Recently, an Ontario tobacco farmer was attempting to cut off the top of an old barrel with an acetylene torch. The barrel, which had contained a soil fumigant, was about 5 years old. The barrel exploded killing the farmer.

Don't let this happen to you. Take every precaution when using an acetylene torch on containers. The can or barrel may never have contained gasoline, but may be just as dangerous. Barrels or cans that once contained weed killers or other pesticides deserve all your respect.

Pesticide containers once empty and rinsed, should be punctured or broken to prevent further use and buried in a proper land fill site.

AGRICULTURAL EVENTS THIS WEEK:

- Thurs. Jan. 27 7:30p.m. Executive Meeting of the Haliburton County Livestock Producers Association in Minden.
- Mon. Jan. 31 Deadline for purchasing tickets for Victoria Cattlemen's Association Banquet and Dance being held on Sat., Feb. 5 at Ops Community Centre.

wintario BONUS DRAW

Extra one million dollars for 100 bonus prizes of \$10,000 each.

1. Regular five-digit Wintario ticket and series numbers.

For five chances at \$100,000 and more than 45,000 other tax-free cash prizes.

2. Eight-digit Bonus Draw number.

If the eight digit bonus number on your ticket corresponds exactly with one of the 100 bonus numbers drawn, you win \$10,000 tax free.

A buck, and you're in for both.

For the February 3 Wintario draw, your Wintario ticket has two sets of numbers—one for the regular Wintario draw, for between \$3 and \$4 million in prizes. And the other for the special million-dollar Bonus Draw—with one hundred extra prizes of \$10,000 each.

In accordance with the Lottery regulations, all unclaimed prize money is retained in the prize fund, until the expiry of the one-year claiming period. It is then transferred into a special prize fund to be

available for additional or bonus prizes in subsequent draws. February 3 is our third Bonus Draw.

On this occasion, to accommodate the advance bonus drawing, ticket sales will cease at 6:00 p.m., Thursday, February 3, 1977. So get your ticket now, because they're going fast. And watch the special one-hour Wintario show live on TV from the Bowmanville High School in Bowmanville, February 3 at 9:00 p.m.

*one year claiming period

About the Town

with Jeanne Sears

First sincere apology for my mistake last week stating the death of Mrs Fred Griffin. Sympathy goes this week to the families and friends of the late Mrs Ken Stevens, Sinclair Davies, Dr. Margaret Bround and Mrs Louella Griffin of Gooderham.

The Minden Figure Skating Club are having their annual Pancake Breakfast Sunday morning at the Community Centre starting at 9 a.m.

No circling hands,
No friendly face,
Just odd-square digits
Blinking the pace....
It seems like a cold-
Blooded clock to me.
It doesn't even
Tock to me.

Barbara Everett

Mrs Allan Taylor visited with Mr. and Mrs. Alvin Taylor and family at Stroud last week.

The community sends belated good wishes to these people at Hyland Crest having birthdays in January, Ruby Houston and Edward Peacock.

Congratulations to Sharron Miscio who won the second snowball of \$93 in twenty numbers called at Rotary Bingo last Thursday night.

Do you think this is true? An optimist is a man who double-parks while his wife runs into a store for "just a minute."

At the weekly Mini Card Party at the Parish Hall last Thurs. afternoon winners were for bridge Doris Craig for cribbage Lilian Davidson and Bill Bennett and for euchre Della Griffin, Vera Fuller and lone hands Vera Fuller.

All his friends send good wishes to Joe Warburton who is a patient at Civic Hospital Peterborough.

There was a 50 wedding Anniversary Party at the Down-towner Hotel, Owen Sound in honour of Mr. and Mrs Henry Woodroffe. Family attending included Mr. and Mrs. Ron Robinson, Mr and Mrs Doug Robinson and Timmy, Misses Marnie and Dorothy ann Robinson, Bob and Ron Robinson Jr, all of Minden, Mr and Mrs Bernie Thorpe of Bass Lake Mr and Mrs Paul Pilkington and family of Grimsby Mel Woodroffe of Owen Sound, and Miss Lila Breadney of Desborough. An enjoyable time was enjoyed by all.

Next Monday night you may enjoy your game of cribbage or euchre at the monthly L.O.B.A. Card Party at the Orange Hall at 8.

Weekend guest with his parents Mr and Mrs Angus Coulter was Gerald Coulter of Toronto.

Minden Nursery Play is having a Bake Sale and Hot Chocolate at the Recorder Office on Saturday starting at 10:30 Easy way to get you desserts for your visitors.

Fred and Foster Hewitt of Toronto were weekend guests with Mr and Mrs Ern Hewitt and Colin

Cut meetings and save ...County Council

A saving to Haliburton County ratepayers of some \$3,000 could result from a County Council decision last week to forego if at all possible the usual monthly meeting in each of February, May and October this year.

In past years, County Council has met each and every month with the ex-

ception of July and August. Last year some meetings lasted only two hours, council learned as Past Warden Jerry Howarth proposed the change.

Council decided to let the Warden and Clerk decide whether or not meetings are necessary in each of the three months.

Eakins presses for Wilberforce bridge

John Eakins, M.P.P., Victoria-Haliburton, said last week he is continuing to press the Minister of Transportation and Communications for action on the one-way Wilberforce bridge.

Mr. Eakins said that in the past week he received assurance from the Deputy Minister that design work for this bridge is well under way and that property negotiations have been started. The replacement of the bridge has been combined with work on Secondary Highway 503 from

Tory Hill westerly, in order to obtain an economic size contract. Mr. Eakins says this is quite understandable and agrees with its inclusion.

This work will be called when the design has been completed and the property has been acquired, providing the funding is available. If for any reason this project is not completed this year, the Victoria-Haliburton member says he has been assured that the project will be completed next year.

Mr. Eakins stated, 'I shall continue to press the Ministry to have this badly

needed bridge completed this year if at all possible. It is a dreadfully dangerous situation'.

Atoms, Peewees escape crashes unhurt

Although two of five area highway collisions last week involved young hockey player passengers under 12 years of age, all escaped injury.

In one a Haliburton Lodge van carrying 13 persons including ten members of the Wexford Atoms team flipped over onto its left side on the Harburn Road early last Friday evening.

Driven by Frank Corrick, 49, of Scarborough, the van was southbound but travelling very slowly when its right wheels caught in the deep snow on the shoulder of the road. Spinning sideways, the van overturned.

An adult passenger, Gregory Wilkinson of Don Mills, sustained minor injuries. No one else was hurt. Damage to the truck totalled some \$600.

Investigation by Provincial Constable Gary Chapman.

Just an hour earlier on Highway 519 near Gelert, a southbound Volkswagen driven by Fred H. Roberts, 39, of Haliburton and carrying his wife and a few members of the Haliburton Peewees hockey team was struck by a second car driven by Michael McElwain, 22, of Minden as it entered the highway from a side road.

Although Mr. Roberts and his young hockey-playing passengers escaped injury, Mrs. Christine Roberts, 40, was taken to Ross Memorial Hospital.

fractured arm and face lacerations.

Mr. McElwain suffered minor injuries and was charged by police with failing to yield.

Damage to the two vehicles totalled some \$2,500.

Investigation by Provincial Bob Rollins.

Both the driver who parked a car on the Stanhope Line and the driver of the car that then ran into it a week ago Tuesday afternoon were charged by police following their investigation.

Charged with parking on a roadway with no clear view was Gordon McElroy of Peterborough, while Paul R. Brady, 22, also of Peterborough was charged with not having insurance.

Damage to the two cars came to some \$700.

Investigation by Provincial Constable Bob Rollins.

When Garnet Holland, 67, of RR 2 Haliburton drove out of a private driveway on Highway 121 last Friday afternoon in a wide west-bound turn his car struck a parked pick-up truck belonging to Keith Prior of Haliburton.

Damage totalled \$550 and police charged Mr. Holland with making a turn not in safety.

Investigation by Provincial Constable Weldon Popp.

No one was injured but damages came to some \$300 a week ago Wednesday when a pick-up truck driven by Daniel Csanig, 20, of RR 1 Haliburton skidded after he applied the brakes on Highway 121 in front of Lakeshore Marine in Haliburton Village, then spun around and rolled backwards down an embankment towards the railroad tracks below.

age, then spun around and rolled backwards down an embankment towards the railroad tracks below.

BUS

FROM P. 1

isted Mr. Mumford in clarifying a previous Board approval in order to start operating a daily bus service on the same route, Bancroft to Lindsay.

This latest decision will mean that the citizens in that area of Haliburton County should be assured of both continued daily service plus the opportunity for charter trips

through one of their local citizens.

Mr. Eakins paid tribute to the bus load of citizens who went to Toronto to testify, plus the excellent business approach shown by Mr. Gerry Stock of Stock-Algar Ltd., and the Chairman and Members of the Ontario Highway Transport Board.

Your Haliburton County Council

A week ago this Wednesday saw Haliburton County Council meet for its first official business session. Picked as Warden at the previous day's inaugural meeting, Snowdon Reeve Bob Vick gathered about him a council comprised of both veterans and newcomers. For Harold Bannon of Dysart, Larry Hunter of Glamorgan and Snowdon's Don Smedmor it was the start of their first term on County Council. But bringing vast experience in County affairs to Council's deliberations are five of its members with 10 or more terms on County Council. They are: Reg Booth of Anson, Hindon and Minden, Bob Fotheringham of Glamorgan, Gary Agnew of Monmouth, Mac McGillivray of Cardiff and Doug Russell of Sherborne, Mc Clintock and Livingstone. Other veteran members of five or more terms include Murray Fearrey of Dysart, Doug Pritchard of Anson, Hindon and Minden, Jerry Howarth of Bicroft, Sinc Nesbitt and Jim Harrison of Stanhope and Keith Tallman of Monmouth. In the two to four term range are: Pat Conaghan and Bert Shingler of Lutterworth, Fred Baum of Sherborne, McClintock and Livingstone and Mack Peters of Cardiff.

Warburton, Whitaker, top players

Royal York Grand Champions, Minden Consolation Champs

Royal York Rangers

Grand Champions

The 3rd. Annual Kashagawigamog Atom Tournament held in Haliburton over the weekend is now history, and the Royal York Rangers are the 1977 Grand Champions. The Rangers went through the tournament undefeated, beginning with a 14-0 wipeout of Bracebridge in the first round, then blasted Wexford 8-0 in the semi-finals. In the "A" Championship Game they edged Mississauga 2-1 to enter the Grand Championship against the "B" Championship winners, Oak Ridges went into the third period tied 2-2. The Rangers then scored three unanswered

goals to take the grand Championship Game 5-2. The top individual performers in the Championship competition were; Most Valuable goalie - Huntsville's Grant Robb, Most Valuable Forward - Dave Hutchins of Mississauga and Most Valuable defenceman - Dave Beaudry, also of Mississauga. The Most Valuable Player in the entire tournament was Royal York's George Bagnato. The Yake Electric/Red & White Atom Monarch's continued in the tournament where they left off in their league play, winning the Grand Consolation

Championship. They got off to a shaky start in their first game on Friday afternoon, dropping a 5-1 decision to Oak Ridges. Jeff Stamp scored the lone Monarch goal. From here on though it was all Minden. They met Haliburton Atom Huskies in the quarter finals, and downed their arch-rivals 5-1. Scotty Hamilton notched the hat-trick for Minden while singles went to Kevin Warburton and Billy Whitaker. In the "B" Consolation Game Minden met Markham Waxers and it was no contest. The Monarch's

trounced the Atom Waxers 10-1, with period leads of 3-1 and 8-1. Scotty Yake led the Monarch's with 4 goals and two assists, Kevin Warburton picked up the hat trick and set up five scores, with singles going to Robbie McLeod, John Dillon and Jeff Stamp. Markham picked up 8 minutes in penalties while Minden recieved one minor. In the Grand Consolation Game Minden came up against a tough, heavy-hitting squad from Georgetown but the tough going is right up our boys alley's and they gave back everything they recieved. It looked like the game was

Minden Monarchs

Grand Consolation Champs

going to end in a 0-0 tie but Robbie McLeod wasn't going to have it. He picked up a perfect pass from Kevin Warburton mid-way through the third period and blasted a shot over a sprawling Georgetown netminder. When the most Valuable Players were picked in "B" Group Kevin Warburton of Minden Monarch's, was chosen the top forward, Chris Palmer of Bancroft All-Stars was the top defenceman and Billy Whittaker was chosen the top goalie. Once again the tournament was a fantastic success, with only one anxious

moment and that was when the Wexford team's Van rolled over on the Drag Lake Rd. heading for their billet at Haliburton Lodge. However, there were no injuries just a few shaken-up hockey players. A special mention has to be given to Mr. Ian McCallum, a Haliburton Senior Secondary School teacher who looked after the players who were billeted at the High School. Mr. McCallum was at the high school from Friday evening until they left Sunday afternoon and did just a super job.

Peewee Monarch's drop Ops twice

The Prentice Skidoo Peewee Monarch's opened their first round of Play-off action at the Centre this weekend and came away with a 5-2 victory over Ops. Jim McKelvey opened the scoring at 2:24 of the first period on a nifty pass from his brother John. Ops then came back with two straight to take the lead 2-1. Mark McNeven and Dennis Callaghan scoring. However, that was all she wrote for the Ops team as the Monarch's came back with four straight goals in the third period to win going away. Scoring was Ivan Ingram from Bruce White, then John McKelvey from Jim and Dave Stribbling and finally Terry Allore from Jim Pettes. Then on Sunday the Pren-

tice Skidoo team travelled to Ops and took a commanding lead in their best three out of five series as they downed Ops 2-1; John McKelvey scored both goals for Minden, the first assisted by Jim McKelvey and Dave Stribbling and the second assisted by Jim and Kevin Hamilton. Ops almost made a game of it when Mike Tamblin scored with just 3:16 left in the game but Minden hung on to take a two game lead in the series. The two meet again on Thursday evening at the Centre starting at 7p.m. Lets have a big crowd out to see the Prentice Skidoo peewees wind up the series.

ATOMS CLOBBER BOBCAYGEON

The Yake Electric/Red & White Atom Monarch's continued their winning ways last week when they

tied Fenelon Falls 2-2 and then blasted Bobcaygeon 8-0 in a tune-up for the big Kashagawigamog Atom Tournament in Haliburton on the weekend. In Fenelon the Atoms almost went down to their first league defeat of the season when they fell behind 2-0 with just over four minutes left in the third period. However, Kevin Warburton scored to make it 2-1 and then Jeff Stamp took a perfect pass from Kevin to tie the

game with less than a minute remaining. Scotty Yake then broke away with fourteen seconds left and hit the goal post, ending the game 2-0. The Bobcaygeon game was a laugher as Minden skated rough-shod over them all evening. Jeff Stamp led the team to victory with three goals. Kevin Warburton picked up 2 goals as did Scott Hamilton and Doug Schell added a single.

Juvenile Monarchs down two

The Vasey Real Estate Juvenile Monarch's opened their best three out of five play-off series with Sunderland on Friday evening at the Centre and lost 8-4 in overtime.

Leading 4-3 with :56 seconds left in the game Sunderland tied the game to send it into a ten-minute overtime. Sunderland scored four straight to win easily.

The Juveniles then travelled to Cannington on Saturday evening to play the second game against Sunderland and this time lost 5-4 with just 50 seconds left in the game.

On Saturday at the Centre David Brown had two goals while singles went to Scott Gartshore and Dave Pettes. Then on Saturday in Cannington, four players shared the scoring, Dave Pettes, Dave Brown, Brian Shaw and Dan Allison. The later three scored on the same shift in the first period to put Minden up 3-1.

The third and possibly final game in this series will be played in Cannington on Saturday evening at 7:45 p.m.

Tim Davies

top scorer for Jadek Sports

The final statistics have now been compiled on the Jadek Sport Bantam Monarch's and Tim Davies has topped the team with 64 points on 47 goals and 17 assists.

Ronnie Yake finished second in the final tally, scoring 35 goals and 24 assists for 59 points. The third highest member of the team over the 22 games played is Scott Arbuthnot with 19 goals and 23 assists for 42 points. Fourth is Shawn Chapman with 8-15-23, fifth, Harold Porter 7-9-16, tied for sixth are Brent Moxam 5-6-11 and Kevin Shapiera 2-9-11 and with ten points on 3 goals and seven assists is Greg Carpenter.

DIRECTORS Report

by Cliff Burke.

The Board of Director's for the Ontario Bowlers Congress got together over the weekend at the O.B.C. office in Toronto, to finalize tournament dates, discuss the upcoming Winter Games the Carling O'Keefe Open Ontario Championships and the World Championships.

The Winter Games are all set, with the Reception being held on Friday evening at the Memorial Gardens starting at 8 p.m. Then at 9 a.m. Saturday morning the Mixed teams and the Y.B.C. Bantams and Juniors will get the Winter Games underway. The Games will wind up at 2 p.m. on Sunday afternoon, with the Banquet slated for Monday. With accommodations at a premium in North Bay, no Board Members will be able to attend other than President Jack Hales and the O.B.C. office staff. There are some 1700 athletes taking part in 22 sports this year in North Bay on Feb 11-14.

The Carling O'Keefe Open Ontario Championships have attracted a record number of entries this year, do mainly to the Winter Games. The final count is 1650, an increase of 40 over last year.

The Championships commence Thursday, April 7th, with a Reception at the Holliday Inn, in Hamilton at 10 p.m. The tournament will get underway Saturday morning at Sherwood Lanes at 10 a.m.

The Banquet will be held at "PAVILLION 3" 2289 Barton St., Saturday evening.

The 1000 Lakes contingent is billeted in the Cannault Hotel.

The World Championships will be held in Niagara Falls from May 19 to the 22nd.

The Reception will take place at the Fox Head Hotel at 9 p.m. Practice times for bowlers will be from 4-7 p.m. at Catarack Lanes on Thursday evening.

There will be a Coaches meeting at 7:30 p.m.

The tournament gets underway at 10 a.m. Friday morning. Tours will be arranged for all those not bowling, to take in the Falls and also Marineland.

The Banquet will be held Sunday morning at the Brock Hotel. All the bowlers are billeted within walking distance of Catarack Lanes.

The Pepsi Cola High School Provincial Championships will be held at Sherwood Lanes and Sportsman Bowl in Hamilton this year, April 23rd.

Bowlers will bowl four games each. The Boys and Girls teams will bowl at Sherwood Lanes starting at 1 p.m. and the Mixed teams start at the same time, at Sportsman's Bowl. The Banquet will be held in the Holliday Inn.

The Carling O'Keefe Classic tournament will be rolled at Lakeview and Chemong Lanes in Peterboro this year, starting at 1 p.m. on March 12th.

This year the Classic drew

a record 26,000 entries.

The Sunbeam Shoes High Low Doubles Provincial Championships will be held on March 26th, in Galt, commencing at 1 p.m.

The Thomas Adams Presidents, Secretaries, & Treasurers tournament will be rolled at Bowl-a-rama, in London, also commencing at 1 p.m. on May 14th.

Jadek Sport bantams lead series

The Minden Jadek Sport Bantam Monarch's are just one game away from sweeping their opening play-off series with Ops.

On Saturday at the Centre the Bantams downed Ops 6-2, with six different players figuring in the scoring. Shawn Chapman scored the first goal then Harold Porter Tim Davies, Ronnie Yake, Scott Arbuthnot and Brent Moxam.

On Sunday in Ops, Minden carried on where they left off Saturday afternoon, this time shutting out their hosts, 5-0.

Ronnie Yake led the scoring parade with three goals with singles going to Tim Davies and Harold Porter.

Walkers midgets all but eliminated

The Minden Walkers Lumber Midget Monarch's opened their first round of play-off action at the Centre on Saturday evening and dropped a lopsided 9-4 laugh to Ops.

Dan Allison, Brian Shaw, Dave Brown and Paul White scoring for Monarch's.

In Ops on Sunday evening, Minden trailed 7-3 halfway through the second period but came on strong in the last half of the game to make Ops work for their 2-0 edge in games, winning 9-7.

Brian Shaw led the Midgets with four goals, while singles went to Dave Brown Dan Allison and Garry Harrison.

The third and possibly deciding game in this series goes Sunday, Jan. 30th in Ops at 7 p.m.

Devil's Angels top junior standings

The Devil's Angels picked up five points this past Saturday in YBC bowling, and consequently moved into first place ahead of the Hell's Angels, in the Junior standings.

Led by team captain Mike Hatkoski's 556 triple, featuring singles of 173-218-165 the Devil's took two games and also total points. They now top the league with 15 points followed by Hell's Angels with 12 and then Yake's Rollers with 8.

There were some fine games bowled in Senior action as well Saturday.

Dave Everall all but wrapped up the Singles Championships in the 4 steps to Stardom tournament with a 633 triple on singles of 245-193-195. Dave Barker can still catch him if he rolls 441 in his first two games next week. Other fine individual games rolled on Saturday were Brent Beaver, 287, good enough for the top single in the league this year among the Seniors. Blaine Sawyer also rolled a fine senior game of 283. Ronnie Yake had a 208 in Junior action and Ann Everall rolled a 234 in Junior competition.

238's finish fourth in

Mail -O-Graphic

The 1000 Lakes Bowlers Association came up with its first prize winning team in the recently rolled, HOULT HELLIWELL MAIL-O-GRAPHIC TEAM bowling tournament.

The '238's', a team from Fenelon Lanes, comprised of Sandy McIntosh, John LeCraw, Don Quibell, Bob Buchan, Bryon Cundy and Malcolm Anderson, finished fourth behind winning Men's entry, St. Clair Bowlers Association, with 4386 total pinfall. St. Clair's 'Reg Pepper' finished first with 4488, second was also St. Clair, with 'Mike Nead' getting 4441 and third place went to Nichol District's 'Foucault Trailer' with 4389.

Congratulations on your fine effort '238's' and continued success throughout the remainder of this bowling season.

PEEWEEES BLAST L. B. 8-0

The Wrightman Realty Peewees of the Tri County league came up with their finest effort of the season last week, downing Little Britain 8-0. This ended L. B. winning streak at six games.

Graig Coneybeare scored three goals, Tim Rawding had a pair and singles went to Ricky McGee, Paul Silvers and Louie Reynolds.

BROOMBALL

by Dwight Thomas

Barry Ward's two goals powered Home Hardware to a 3-1 victory over Tom's Mothertruckers while, in the other league game Alton's Movers hung a 3-2 defeat on the Horseshoe Lakers.

Ward gave Home a 1-0 lead after one frame but Aldo Salimando tied the game early in the second period. However Ward's second tally and Chris Miles marker upped the count to 3-1 when the final buzzer went.

In the Movers victory it was Randy Anderson, Shane McKelvey and Bob Sisson providing the firepower for the Movers triumph. Bob Fletcher gave the Lakers an early 1-0 lead in the first period only to have the Movers storm back to forge a 3-1 lead into the final stanza. Tim Chambers scored the Lakers final goal with just two seconds remaining in the game.

Last week's action saw the Movers beat the Truckers 3-1 and Home tie the Lakers 2-2.

Shane McKelvey and Ray Howard scored first period makers for the Movers with Gerald Cooper replying for the Truckers in the second frame.

However, Bob Sisson put the game out of reach with a goal in the final period giving the Movers a 3-1 victory, their ninth win of the season against no losses. The Movers also have one tie for a league leading 19 points. The loss left the Truckers in last place with just one tie in ten contests.

In the second game the Lakers opened up a 1-0 first period lead on a goal by Tim Chambers. That lead increased to two goals when Chambers potted his second tally of the contest in the second frame.

The third period belonged to Home though as Dwight Thomas, Home's regular goaltender playing his first game in the forward ranks, sent home a loose ball from a scramble in front of the net to start Home's comeback. Dave Pentney scored minutes later what proved to be the game saving goal when he deflected a high pass into the Lakers net.

This left Home in second place with 13 points from a 5-2-3 record while the Lakers are in third spot with a 2-5-3 record, good enough for 7 points.

o u t d o o r s

Icing up

ICING UP THE TRACK FOR THE MINDEN CARNIVAL SPORTS CAR RACES ARE VOLUNTEERS (LEFT TO RIGHT), JIM SCHLOSSER, ELTON DEACON AND DENNY FARNSWORTH.

SPRAYING THE TRACK WITH WATER REQUIRES A FIRM GRIP ON THE HOSE AND A CLOSE EYE ON THE JOB AS SHOWN HERE BY DENNY FARNSWORTH.

The Minden Winter Carnival is coming this weekend and a special highlight will be the Sport Car Races on ice at the new Minden Kinsmen Race Track beside the Minden Community Centre. With some 70 cars entered in the 30 sanctioned races planned; 15 Saturday and 15 Sunday - the new all ice race track will be completed and ready to go by Friday. The track is exactly 7/10 of a mile long, 40 feet wide on the straight and 60 feet wide on the corners. There will be a minimum of 8 inches of ice on the track and in some spots it will be over a foot thick. The infield area of the track is now almost completely trimmed of trees and brush

so that on race-days the spectators will have a clear view of the entire track. The 16 Kinsmen working on the track to date have logged some 1,200 hours or 70 hours apiece, while many businesses and individuals have donated their time and equipment to make this Kinsman Project a smashing success. Some of the persons the Minden Kinsmen Club would like to thank are: Minden - Rentall, Highlands Plumbing, Deac Jackson and Biagi and Son for the use of their water pumps, Grenville Stamp, Kawartha Dairy and Tom Prentice for the use of their trucks to put the water on the track; Lyly McKnight

(bulldozer) John Kernohan (bulldozer); Haliburton County Snowmobile Assoc. (Bomby and Groo-

mer); Bill Prentice (Back Hoe); Brian Sisson for looking after the hoses at the arena so they wouldn't freeze.

SWEDISH

THREE STROKE

This variation of the Pendulum Stride has made its appearance only recently. In the Three-Stroke, three pole plants are made every four strides, or stated another way, one pole plant is omitted every four strides. It is always the same pole which is left out, either the right or the left.

The three-Stroke is used in the same kind of situations as the Finn Stride.

THE DOUBLE POLE

PUSH

Position the pole plant: the arms are slightly bent at the elbow, hands held shoulder-width apart, and the pole tips are pointed back towards the feet.

The Push: arms are momentarily stiffened, the upper body folds at the waist, and comes down and forward over the poles. The hands push back low. The end-thrust should be especially quick and powerful.

THE ONE-STRIDE

Important: the stride comes first. The poling action follows the push-off from the ski.

In other words: a normal stride initiates the glide and the momentum of the glide is reinforced by the subsequent double pole push.

In the One-Stride, the same push-off leg may be used repeatedly, or left and right legs may be alternated.

Very Important for the effectiveness of the double pole push is the body position at the instant of pole plant. The skier must be in position to 'fold over' quickly and initiate the pole thrust immediately.

Proper body position is attained by:

- assuming a marked forward lean, by
- strongly flexing the knee of the glide leg,
- bringing the hips well forward,
- bending the elbows slightly.

THE TWO-STRIDE

The movement sequence of the Two-Stride is similar to that of the One-Stride. However, an extra

stride is taken between the double-pole action. This inbetween stride should not be a hasty step, but rather a strong, gliding stride with powerful hip action. It allows more time to swing the ski poles forward into a good position for the plant. The Two-Stride is particularly effective on hard, fast and gently declining track.

In this version of the Two-Stride, the same leg is used repeatedly for the push-off leading into the double pole push.

THE THREE-STRIDE

This stride is not highly effective so we will leave well - enough alone.

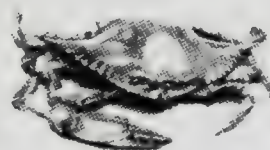

Next week we'll take a quick look at how to ski on Varied Terrain.

TOWN HOCKEY LEAGUE at Winter

Shoot-out ends with

Chalk Dusters

alive and well

On Monday evening at the Centre, in a game involving the Natural Resources and the Haliburton Chalk Dusters, of the Town League, it appeared that the shoot-out at the O.K. Corral was being re-enacted. At least I'm sure goaltenders Dick Schell of Resources and Ed Whiteway of Dusters must have thought so.

With the game 9-3 with less than five minutes remaining, for the Chalk Dusters, the Resources finally caught fire and scored four goals in less than two minutes, to pull to within two goals. However, after faltering just slightly, the Dusters suddenly came alive and potted three goals in less than a minute, to reaffirm their lead, and walk off with a 12-8 victory. The two teams

scored eight goals in the final four minutes and fifteen seconds.

Leading the way for the Chalk Dusters was the two-some of Gary Brohman and Bill Johnston, both with four goals. Wells Robertson chipped in with the hat-trick and Mike Pearsall had a single.

Bill Watson and Warren Snyder each picked up three goals for the Resources, while Ross Wray notched a pair.

The Resources had also dropped an earlier game Sunday, 3-2 to Norland.

If you want to see some fine hockey, why not jog down to the Centre at 10 P.M. on Monday, Wednesday or Thursday. Sunday at 9 a.m. & 12 p.m. to watch some Town League games. They are very entertaining.

This weekend at the Minden Winter Carnival there will be a Mixed Curling Bonspiel at the Minden Curling Club featuring twelve teams from Minden, Haliburton, Newmarket, Toronto and Uxbridge. This Bonspiel is sponsored by Hiram Walker Distillers Ltd. and has three draws and two events.

Up for grabs are the Hiram Walker Trophy and the President's Trophy.

The Bonspiel gets underway Friday, January 28 at 7 p.m. and runs through Saturday and Sunday.

Visitors are most welcome to watch some outstanding matches.

The Minden Curling Club will be a beehive of activity over the next couple of months with three Bonspiels booked to date.

Feb. 4 - Apex Industries of Lindsay, Bonspiel
Feb. 12 - A Ladies Bonspiel
March 19 - The Natural Resources Bonspiel.

CMHC loan for Lindsay sewer system

Bill Scott, M.P. for Victoria-Haliburton announced late last week that Central Mortgage and Housing Corporation has approved a loan of \$193,387 to the Town of Lindsay for the construction of a trunk sanitary sewer.

The new system will intercept waste from the industrial area at St. David and Needham Streets and convey it to the North-East Industrial Area Trunk Sanitary Sewer.

It will also help to eliminate present overloading of the system along the Scugog River and provide the servicing trunk for a major portion of the town.

The loan made under the provisions of the National Housing Act, is for a term of 20 years at 10% interest.

CMHC makes loans and grants to provinces and municipalities for sewage projects in order to help combat soil and water pollution.

Repayment of up to 25% of principal and interest of such loans may be waived by CMHC if the work is completed satisfactorily.
